Other notions: Stitch holders markers other _____

Gauge: Stitches in 4" _____ Rows in 4" _____ Needle size used _____

Abbreviations: List and define any abbreviations used in your instructions.

Stitch Notes: Row by row instructions for any special stitch patterns used. A chart, along with its legend, can be used in addition to or instead of row by row instructions. If you found the pattern in a stitch dictionary or other reference book, please include the name of the reference and the page number. (Use a separate sheet if necessary).

Notes: Any other general information you think would be helpful to the knitter. If other special techniques are used, this is the place to explain them. If you learned about the technique from a knitting reference book or website, please include the name of the reference and the page number, or a URL for the website. Don't assume we'll know what "Martha's Magic 8-ball Cast On" is. (Use a separate sheet if necessary).

Cuff: Cast on _____ stitches. Was a special cast-on method used? _____
Give full instructions for making the cuff. (Use a separate sheet if necessary).

Leg: Note if stitch count changed _____, stitch pattern changed _____
or needle size changed _____ for the leg of the sock.

How long is the leg? _____
If the sock is longer than calf length, how is the shape of the leg accommodated?

Heel: Describe in detail how the heel of your sock is constructed.

Foot: Does the stitch count change _____ or pattern change? _____

How long is the foot before toe shaping begins? _____

Describe in detail how the foot of your sock is made.

Toe: Give detailed instructions for shaping the toe of the sock. How is the toe closed up?

Finishing: Describe any special finishing procedures for your sock.
